3. These committed actions of the BJP led State Government have inspired and encouraged all of us to work collectively against the drug menace in the State, and also against poppy plantations in all the Districts of Manipur, particularly in the Hill Districts of Manipur for the sake of our future generations and the BJP led State Government has successfully destroyed 18,664.5 acres of poppy plantation from February, 2017 to March-April, 2023 all across the Districts of Manipur. We may also recall that in the Churachandpur District alone more than 2699.8 acres of poppy plantations were destroyed by the State Government between 2017 to April, 2023. The financial loss caused by these poppy destructions in Churachandpur District is one of the main reasons as to why these Narco-Terrorists have started the riots in Churachandpur on 3rd May, 2023 against the State Government and Meitei Community.

Moreover, the State Government has also started identifying illegal immigrants/ influx from Myanmar by constituting a Cabinet Sub-Committee (CSC). And in the month of March and April, 2023, the said Cabinet Sub-Committee (CSC) has started conducting different spot enquiries for identification of illegal immigrants in various parts of the State including Churachandpur District and all these legal actions has agitated the illegal immigrants residing in Churachandpur and also the Kuki Militants Organizations. And they all started the violence in Churachandpur from 10:30 am onwards on 3rd May, 2023 in the name of Tribal Solidarity March.

For reference photostat copies of the Newspaper reports are annexed herewith as ANNEXURE – A.

4. The present violence in Manipur is directly connected with the Government policy on war against drugs and poppy plantations and also the initiative taken up for identification of the illegal immigrants. Amidst such a volatile situation of the State, on 27.6.2023, Smt. Brinda Thounaojam organized a Press Conference without any responsibility or maturity and has made various

false statements which are also available in various social media and public platforms such as YouTube, Face Book, WhatsApp etc. under the Caption,

"Nobody dare to challenge the unity of Manipur: Th. Brinda".

Some of the links of the said video are given hereunder –

For reference downloaded soft copy of the said video is appended in the Pen drive and the same is enclosed herewith as ANNEXURE – B.

5. That in the said viral video, Smt. Th. Brinda has made many false and fabricated statements without any basis or foundations. And out of which, she has made specific statements against all the sitting Hon'ble MLAs, politicians and others without any cogent evidence to support her statement. Some of the statements are highlighted hereunder for easy appreciation –

- (starting from 7:00 minutes) that almost all the 60 members of the Manipur Legislative Assembly are involved in the Drug Cartel, and has spread from State Assembly to Burma and reached upto China. It is also stated that the Drug Cartel has the ability of buy all those who can be brought including State Government and even has 99.9% chances of the involvement of Hon'ble Parliament of India and the Hon'ble Manipur State Assembly including it's Members.
- (starting from 10:00 minutes) that MLAs and Politicians are involved in the Drug Cartel. Some are involved directly and some are involved indirectly by sponsoring and funding the Drug Cartel.
- (starting from 14:00 minutes) Manipur Drug Cartel is an international Drug Cartel and State Government and its institution are involved.

All these allegations are grossly absurd and extremely imaginative hallucination of the accused without any foundation or cogent evidence and these allegations are meant to disrepute and lower the dignity of the Hon'ble Manipur Legislative Assembly and Hon'ble Parliament of India including the Hon'ble Members of the Manipur Legislative Assembly in the eyes of general public of Manipur and also in the eyes of the rest of the Country. Each sentence

in the Press Conference of the accused dated 27.6.2023 may be treated as the part and parcel of the present Complaint.

6. That the above statements are some of the statements amongst others which have directly damaged our conscience and reputation as a responsible MLAs and also undermined the dignity and sanctity of the August House and its Hon'ble Members. It has openly lowered the majesty the Hon'ble House and at the same time it has also maligned our hard-earned public perception as MLAs in the eyes of the general public during this sensitive hour of the State of Manipur. It further amounts to provoking and promoting enmity in the Society which is against the interest of our mother land. We have indeed suffered irreparable loss of reputation and public image by such a reckless and irresponsible statement of the accused because we have no connection whatsoever or involvement with any poppy plantations or narcotic drugs and we are only committed to fight against drug menace by supporting the War on Drugs 2.0 of the present State Government led by BJP for the sake of our future generation.

The complainants came to know about such statement of the said accused in the social media i.e., Facebook on 21st July, 2023 within jurisdiction of this Police Station.

In the above fact and circumstances, it is requested for taking up necessary legal action including registration of FIR against the above-mentioned culprit to punish her in accordance with the law.
