Sir,

The complainant as a law abiding citizen of India and responsible citizen filed the present complaint against the accused person and his associates for their unlawful activities which is a serious threat to the national security and destroying peace and harmony of the State.

The State of Manipur is now under a state of fear and uncertainties because of the frequent barbaric attacks by armed Kuki militants in association with their armed foreign militants from Myanmar against the Meitei/Meitei civilians of the State since 3rd May 2023, till today.

The Kuki's from Manipur and their brethren from Myanmar, Bangladesh are demanding for a separate Kuki homeland/country called Zalengam by integrating parts of Myanmar, Bangladesh & India. They even submitted memorandum to the United Nations and Prime Minister of Israel. This is a threat to integrity and sovereignty of our nation.

In order to finance for their demand of Zalengam they carried out all illegal activities such as poppy plantation in Hill areas of the State, drug trafficking, etc.

the present violence in the State of Manipur is also a pre-planned illegal activity of these armed Kuki militants.

In furtherance of their demand for a separate Kuki Nation, armed Kuki militants are attacking and murdering innocent Meetei/Meitei civilians, burning down of Meetei houses and worship places from time to time since 3rd May, 2023. In such terror activities the Kuki Times, is one of the mouth piece of these armed Kuki militants/narco terrorists is actively involved in terrorising the common people of the State.

In support of the terror activities of the armed Kuki militants I came cross a Facebook profile, the Kuki Times which uploaded in social media that "Now, let's gear up and fight the good fight with whatever available resources that we have."

We can bomb Imphal City starting from C.M. Bungalow....."

This terror threat was made by using social media platform Facebook (<https://www.facebook.com/kukitimes2013?mibextid=ZbWKwL>) under the name KUKI TIMES who have a wide follower of 9.3K. Their terror propaganda spreaded in collusion with armed Kuki militants in the Kuki Times is to encourage the terror thoughts so as to continue and escalate the present violence in the State of Manipur. It is a serious threat against resident of Imphal and also against high dignity of the State so as to refrain him from exercising his lawful powers. It has also affected in social harmony in the State. The Kuki Times in conspiracy with armed Kuki militants abets and incites the commission of unlawful terrorist activities.

The immediate intervention of the law enforcing agencies is called for serious investigation into the terror propaganda and threat to the national security of the State/Country. And to punish those involved so as to see that the innocent people of Imphal are not killed by these Kuki militants.

In the facts and circumstances, it is requested to take strict legal action against the Kuki Times, its operative and associates so as to punish them in accordance with law as indicated above.
