Sir,

I am a law-abiding citizen of India and the present complaint is being filed against the accused person for taking up necessary legal action and punish her in accordance with law for his unlawful activities. The accused person claimed herself to be a self-style Freelance Journalist. And by using her social media platforms as a tool propagate misleading statements to the people so as to destabilise a democratically elected Government, disturb communal harmony by creating enmity among the communities and defame the State Government and one particular community. The accused intentionally made many false propaganda/ misleading statements so as to continue and escalate the present violence in the State of Manipur. Her unlawful activities are a threat not only to the security of the State but also to the Centre.

The accused person made her false propaganda/ statements by using her social networking page [Makepeace Sitlhou's Profile | Freelance Journalist | Muck Rack/ Makepeace Sitlhou \(@makesyoucakes\) / X \(twitter.com\)](#) run and operated by herself and the accused person has followers of about 17.1k on her X (formerly twitter) account. The accused used her X (formerly Twitter) account as a platform to fuel further

- Available at Makepeace Sitlhou on X: "It's an ethnic cleansing but no, easier to hide behind the cover of clashes with a complicated background and offer a moment of silence to "moderates". The remaining stalwarts of independent investigative journalism in India, ladies and gentlemen." / X (twitter.com)

- Available at Makepeace Sitlhou on X: "Shows that there's nothing but political will stopping the government from taking action against perpetrators, quite clearly identifiable in so many other videos. Is the state police next?" / X (twitter.com)
- Available at Makepeace Sitlhou on X: "Do we really have such little dissent from MPs from the Northeast with constituencies barely few kms away from international borders with China, Bhutan, Bangladesh, and Myanmar? Or are we just to keep playing immigrant versus indigenous as long as BJP stays?" / X (twitter.com)
- Available at Makepeace Sitlhou on X: "Planned attacks on churches, state forces compromised, genocidal songs, NRC demand, ethnic clearing and a CM that's still on the job despite shit tweeting to minority accounts. Straight outta the Hindutva play book yet journalists are still busy calling it even on both sides." / X (twitter.com)
- Available at Makepeace Sitlhou on X: ""Such interference in India's internal affairs is unacceptable, and reflects a colonial mindset" India's response to EU parliament <https://t.co/HBh4FIFCr2> Clearly,

- Available at Makepeace Sitlhou on X: "Took more than a month to find a home for this story despite the longest internet shutdown in India since Kashmir in 2019. But wrote about what internet shutdown helped achieve in Manipur - deadly rumours and silencing of minority tribes <https://t.co/ZzcN0HQ80>" / X (twitter.com)
  - Available at Makepeace Sitlhou on X: "Kuki National Organisation spokesperson Seilin Haokip's house burnt down in Lamka. Tells you everything about the casteist pandits speculating that things will go back to normalcy after money is thrown at tribals. All hail BJP's peace and security model in the NE region. <https://t.co/kOFS4YpxkO>" / X (twitter.com)
  - Available at Makepeace Sitlhou on X: "So they march to the buffer zone to remove an army post (or clear the path to attack tribals) and are countered with tear gas shells. Then they become injured victims of 'state oppression'. Same crowd that is asking for peace, along with NRC, ST benefits and a baby pacifier" / X (twitter.com)

Screenshots statements made by the accused in her X (formerly Twitter) Account are enclosed as Annexure-M (Colly).

All the statements/ posts made by her are false statement/ propaganda and is made intentionally to incite one particular community to turn against the State Government and to topple such democratically elected Government. His misleading statements is intentionally made to instigate and create a sense of revolt against the State Government and her act is not only defame the Government but also a threat to the security of the State. Her statement incites enmity amongst communities, especially between Meitei and Kuki at this chaos situation.

In fact, the present violence in the State of Manipur which started from Churachandpur since 3<sup>rd</sup> May, 2023 thereby spreading to other Kuki dominated parts of the State is a pre-planned act of certain groups of people which include illegal immigrants from Myanmar, Kuki Militants, Narco-Terrorists and others who opposed to the State Government policies against Drugs, Poppy cultivation, eviction of encroachers from Reserve and Protected Forests, implementation of National Register of Citizen (NRC). Those armed Kuki Militants burnt down many Meitei houses, worship places, attacked and killed many Meitei civilians for no fault of them. But in all these aspects she remains silent and spreading

all the false and one-sided news to prolong the violence thereby inciting enmity amongst communities.

Although the accused person claimed herself to a freelance journalist, she breaks the ethic of journalism and her writings/ statements are full of false, fabricated, sponsored and motivated statements. And on these given grounds the concerned authority may kindly look/ investigate the connection between the accused and the drug mafias/ narco-terrorist by initiating proper investigation against the accused person. And as her social media account is spreading false and concocted stories not only to her followers but also to general public, the same needs to be freeze/ block immediately so as to enable to restore peace and normalcy in the State of Manipur.

The complainant came to know such unlawful activities from the various social media including X (twitter.com) of the accused person on 07/09/2023 within the jurisdiction of Imphal Police Station, Imphal West, Manipur.

In the facts and circumstances, strict legal action may be taken up against the above-named accused person and her associates by registering a case so as to punish her in accordance with law.

Encl.: As stated above.

Yours faithfully,

L. Sandeep
