It is with utter pain we inform you that Indica Nutraceuticals was no exceptional to the same and after the start of this violence on 8<sup>th</sup> and 9<sup>th</sup> May all the people of our security agency left the place to save their life.

It was only on 10<sup>th</sup> May 2023 that a local person informed us that some unknown people forcefully entered our site of Indica nutraceutical and burned the entire office in ashes along with the wallet (where the cultivated crops were kept) by the excise department.
