Sir,

This is to bring kind attention towards that the EPC Contractor has setup its camp for the construction of NH-102B Packaged 4A and 4B under Bharat Mala(NHIDCL) at location chainage km 125.360 between khuanggin and Sinzawl village of Pherzawl District. It is further informed that during the ongoing agitation our camp some has taken away machinerypart of backhoe loader, hyva, Excavator, RMC Plant, Tendom Roller etc.

We have already got a letter for Police protection from SP(CCpur) as on dated 02.08.2023. but we didn't get any police protection till date.

The EPC contractor has suffered major loss due to ongoing conflict/riot like situation. Fear and the ground condition the labour and staff are in constant fear and most probably would move out of the projet and the whole project would be affected and require a complete remobilization.

The following other items are enclosed herewith.
