Date of Incident: 17th May 2023

Respected Sir,

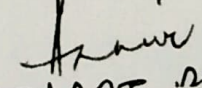

I am resident of the above address since last 25 years. On May 17th 2023 I left my rented house after being chased by Meitei Community. I live in a church compound where some Meitei miscreants who came to vandalize our church, chased me out shouting and forced me to leave my house if I wanted to still be alive. I live alone and I am a widow who left my house without carrying any belongings. A good relative of me booked a ticket for me to travel to Shillong via Guwahati and I and took shelter in the relief camp. Later I came to know from my neighbours that my house was vandalized completely and the miscreants have looted all my belonging.

Due to this incident I have lost everything and my life long savings. I am going through a lot of mental stress and emotional trauma. I have lost everything.

I was targeted because I am from Hmar Community and I was living in the same locality with Meitei. Presently I don't feel safe about going back to my home because there is no place to take shelter. I am jobless and I do not have anyone to support me.

I also got to know that there has been theft in my area and the miscreants have looted valuable items. Since I had to run away without even taking my basic stuffs from home. Hence, I would like to request you to restore the situation to normalcy and provide me safety to go back to our homes and at least provide us protection so that we can rebuild our home.
