Sub : Complaint regarding unauthorised lifting and uses of department's pipes -reg.

Sir,

I would like to bring it into your notice that some of our department's (PHED) pipe stacked/stored in PT sports Complex were lifted and used it by some unauthorised locals without the permission of the concerned authorities. The pipes are meant for using in the ongoing town water supply schemes under NDB and misutilising of the same will have a great impacts in the later stage of the project. The same case with the photos was also got viral in various social media last week stating "About 40 pieces of department's pipe were cutted into pieces and sold. Location : Vaal veng".

In view of the above, I would like to request you to take up the investigation based on the viral social media (copy of photo enclosed), and also book the culprits according to the Law.

Yours faithfully,

Executive Engineer
Churachandpur PHE-Division
PHED, Manipur
