Officer-in-Charge
Forompot Police Station
Imphal East, Manipur

Respected Sir,

We are the resident of the above address since 1960. On the 4th May 2023, around 12.00 in the afternoon while we were having lunch, the atmosphere was filled with sounds of tear gas and gun shot along with sounds of ringing electric post (signal of an alarming situation). Hakip Veng is a locality nearby All India Radio Imphal and Chief Minister Bungalow, therefore we were not so much alarmed as the locality has been surrounded by Manipur police on all sides. However one expectation about the security personnel was in vain. Our locality seemed to be the most insecure places in a blink of an eye, roads filled with rushing sounds. We came to police posted nearby our house to inquire but forced us to remain inside our house saying that Curfew has been imposed.

calls from phone one after another about
localities attacked, vandalised and burnt. We
managed to escape from the police who
was posted nearby and fled to the
house of former Ex M.P. Holkhomang Hach.
Many of us assembled there. Our only
hope was in the Almighty God, we held a
mass prayer. Later after 10 minutes, State
Sponsored terrorists shouting "Let's Kill Kukis"
arrived led by Manipur Police Commandos.
The hearing even traumatised us, tear gas
and gas cylinders exploded from burnt
houses. One church was burnt down. We were
left with no choice. The Manipur Police
came to our hiding place and asked us
to come out, told us that they won't
be able to help us out as the miscreants
are great in numbers. We were targeted
so they didn't want to help us out.
How can Govt security be less than mob,
if they really wanted to help us, there
will be a way. From there we headed
to 1st Manipur Rifle Battalion and took
a refuge there. Even at 1st MR
we felt insecure, no proper food,
water and sanitation.

in Hachip.

as we were not carrying anything from
our homes. The only safest way is to
leave Manipur. After 2 nights of staying
in 1st MR, we headed to airport for
staying before our tickets were confirmed.
On reaching airport we were quite
relieved while seeing armies posted at
airport. Not only our family were relieved
on reaching airport, there were kids longing
to return home but there was no
reason because our houses were burnt down
and looted by Meeteis in broad daylight.
We stayed there, slept on the floor
for 2 days and left for Shillong.
Even after reaching Shillong, our
emptiness never ceases to leave us,
we are homeless now.
~~Definitely~~ Kukis are targeted and this is
ethnic cleansing.
