Subject: "ZERO FIR"-Illegal Lifting / Removal of Contractors Plants and Machineries Including Construction materials by miscreants in between km 13+000 and km 34+600 of "Imphal Kangchup Tamenglong Road Project"

Dear Sir,

With reference to the subject, I, the undersigned on behalf of HCC - VCCL (JV) Ltd would like to inform you that, we have been awarded the project for construction of Imphal-Kangchup-Tamenglong Road under EAP, PWD, Govt of Manipur. It is apprised that, there are 71 (seventy-one) number of plants and machineries located in between km 13+000 (Kangchup Chiru village) and km 34+600 (near Waphong Village) before the onset of the present disturbance i.e., 3rd May 2023. This includes 16 numbers of excavators, 5 Soil compactors / rollers and 6 dumpers. We are not able to access these plants and machineries since the onset of the trouble.

Further to above, large quantity of construction material like stone aggregates, boulder, sand, etc., is also stored in our camp at km 16+000.

However, please be stated that, it is learnt recently from the information received from various sources that, most of the machineries have been taken away by unknown miscreants and are being mis-utilised. Further, the miscreants have taken away large quantity of construction materials stored in the camp at km 16+000 and have also stolen most of the removal parts like electric motors, batteries of the plant and machinery in the camp. This entails a substantial loss to us.

In view of above, you are requested to look into the matter and do the necessary investigation in this regards.

Thanking you,

Yours truly,
For HCC-VCCL Joint venture
