They broke the door and lock of arms and ammunition Kote room door of 2nd IRB Rear Head Quarter located inside the office building of the 9th IRB (Mahila Battalion) located inside Khuman Lampak sports complex by using iron tools and Bid hammer and started searching for weapons and ammunition. As there was no Arms and ammunition kept inside the room, no arms and ammunition have been taken by the armed youths, however empty cases of ammunitions which were collected during the Annual Range Classification Firing, 2022 numbering around 1164 and which was kept inside the room for replenishment and other formalities have been forcibly taken away by them.
