Date of Incident: 3rd May, 2023

Respected Sir,

My daughter in law Vahoikim Chongloi and her family were residing in the above address since 2 years. On the 3rd, May, 2023, they were staying with few other families awake and afraid due to the mob attacks that were happening around them. Next day due to fear they went to the CRPF camp Lamphel and stayed there for 3 days and then with the help of Army to kangkopi district and then they came down to Shillong.

I have 3 grand children and they all were studying in Schools and now their studies have been disrupted and we have no idea when things will go back to normalcy. My son is working as Assistant Audit Officer and my daughter inlaw used to work in the secretariat and both are unable to work anymore and is unsure about their future. They have no idea if their property is still standing or it is burnt down.

Asst. Sanjay Raj Aham

Due to this incident I and my children and grand children have been put to great hardship and mental trauma.

Hence, I request that you will investigate the matter and take proper action against the perpetrators as well as restore the situation to normalcy and provide protection for us to go back and re-build our lives back in our locality. We request that you will also protect our properties and the whole locality from encroachment.

We are hoping for Justice for us and for all who are in this situation.

Yours faithfully

Thangtinlun Singson
