Sir,

I am a law-abiding citizen of India and the present complaint is being filed against the accused persons for taking up necessary legal action and punish them in accordance with law for the unlawful activities committed by them. I am well aware of the situation happening in the state of Manipur as I am presently residing in the State of Manipur.

That I have been continuously associated with Shri N. Biren Singh, present Hon'ble Chief minister of Manipur for the last few decades and my association with him has even become closer after his first election as MLA from the Heingang Assembly Constituency. I have been closely assisting him after he become Hon'ble Chief Ministers of Manipur for the first term between (2017-2022) and the second term (2022 to till today). In these long years of association, I have been notices him of having any kind of immoral/incident behavior towards any women and he has never been involved in any scandal of immoral activity. He has great respect and honour of women folks and in that sense, he has started many policies and programmes for the women folks residing in both the hills and valleys.

The state of Manipur is now reeling under a state of turmoil n since 3rd May, 2023 becomes of the violence activities carried out by narco terrorist and Kuki militants against innocent Meitei/Meitei civilians as a retaliatory action against the Government Policies -(i) War on Drugs (ii) Eviction Drive of encroachers from the Reserve and protected forests(iii) to drive away illegal immigrants etc. It is worth to mention that Kuki Militants with the support of antinational elements from the community carried out violent activities against the innocent civilians to destabilize this democratically elect government in order to turn dream of ZALENGAM/KUKILAND into reality and to allow free drugs trade and to prevent to weed out illegal immigrants. They always used communal slur as a toll to bring disharmony between the Meitei and the Kuki and also among the Meiteis.

In order to escalate the communal tension and violence in the state, these antisocial elements/organizations under the behest and support o the armed Kuki militants have always attempted to tag the Hon'ble Chief Minister of Manipur in the wrong side as attacks against the tallest leader of Meitei community is likely to instigate violence between different communities. These pawns of armed militant groups are always trying to implicate him in any scandal in every possible way to harms his image and reputation. Their only aim is to pull him down from the Chief Ministership of the State in order to meet their demand/claim of a separate country, Zalengam/Kukiland and freely continue their large scale illegal poppy cultivation to finance narco-terrorist, huge Drugs trades, and also to allow illegal immigrants coming from Myanmar to settle in the state of Manipur.

That in their concerted effort to destabilize the democratically established State Government order to achieve their goal, the above accused persons at the behest of the narco terrorist and Kuki Militants published Articles, under other caption " Kumarjit's Flesh Trade". Issue being politicized by Biren Singh to cling on Top Post? In the daily News Latter " Thingkho Le Malcha" issue No. 424, Wednesday, May 22, 2024. This News Letter was issued and published by Kuki Student Organization (KSO) Media and Documentation Cell.

In the said News Letter, they called the Hon'ble Chief Minister N. Biren singh as " Narcissistic Meitei Chief Minister" and serious allegation has been made against him to have close links with the Kingpin of flesh trade, Kumarjit Laishram, he planned the ethnic cleansing program against Kukis, has close proximity with drug lords, etc. The article was intentionally published to wedge a rift between the Chief Minister and his Cabinet Colleagues and MLAs and to malign his image in the eyes of general public. This articles is intentionally published and circulated to flare up this communal clash again9which is now returned to certain normalcy, to instigate the people to revolt against the Government, to bring communal disharmony to create enmity between the communities, to create mistrust among his cabinet colleagues and MLAs and defame him.

Relevant pages downloaded from the link herein above is enclosed herewithas Annexure-I.

That, the Accused person No.3, MR.H.S. Benjamin Mate who is also well known for his role in instigating to worsen this communal flare and well- known hater of the Hon'ble Chief Minister, Shri N. Biren Singh in his "X" account (formerly Twitter) uploaded one group photo of Hon'ble Chief Minister, Shri N. Biren Singh and three others which include Kumarjit Laishram who recently shot at the knee in connection with Flesh trade.

Relevant screenshot page is enclosed herewith as
Annexure-II.

Actually, the group photo relates to preliminary meeting regarding the organizing of a fashion show for the Sangai Festival, held in November 2022 and this meeting was held in presence of many other individuals and this can be confirmed from the photo uploaded by one Gyan Prakash Huirem in his Face Book Account on 21.11.2022 under the caption "Manipur Sangai Festival" showing Kumarjit Laishram and with one lady. The intention and act of the accused H.S. Benjamin Mate is to visualize and drag the Hon'ble Chief Minister into this scandal without any basis. His act defamed the Hon'ble Chief Minister of Manipur.

Relevant screenshot pages are enclosed herewith as
Annexures-III & IV respectively.

In view of the Articles/ statements published by the accused persons, there is high possibility that the accused persons are having nexus with the drugs mafia operating in the state of Manipur and as such, the concerned authority may kindly look/ investigate the connection between the accused persons and the drug mafias/ narco terrorist by initiating a proper investigation against the accused persons. The accused persons conspired to defame the Hon'ble Chief Minister, Shri N. Biren Singh, incites public/ people to revolt against Government, promoted enmity among the communities.

In the fact and circumstances, strict legal action may be taken up against the above- named accused persons and their associates by registering a case so as to punish them in accordance with law and to prevent them from committing such offend able acts in future.

Enclosure:

As stated above.

Yours faithfully
