Subject: - Report for destruction and stealing of materials from work site

Sir,

With regards, I have the honour to state that I was taking a construction work for the expansion of a water supply at Ngangkhalawai upper canal near Kangathei village under a Company called Bishnu Prakash under a Contractor namely Tarzan Chakram of Soibam Leikai near Citizens' Club, Imphal East from the month of January, 2023 for the construction of 3(three) water tanks with an Aerator. And, construction of 1(one) water tank was completed during the month of March, 2023 and construction of remaining 2(two) water tanks were underway and PCC(plain cement concrete) were laid over for the 2(two) water tanks. Unfortunately, full construction work could not be completed in time since the communal clash commenced from the 3<sup>rd</sup> May, 2023. So, I along with my laborers were compelled to leave the work site for our lives on the day itself that the nearby village namely Kangathei is a village mainly inhabited by Kuki community. Later, during the mid-week of July, 2023, it was learnt that the work materials kept at the work site have been completely stolen and destructed by the suspected members of the Kuki.

It is, therefore, requested to kindly take a legal action against the perpetrators as per law.

Enclosed: - List of materials destroyed/stolen

Date: 16 /02/2024
