Shangan of Ukhrul Mayotang, A/P-Lanthung Ching, Imphal-West District, Manipur and 3. Basanta of Langol, Imphal West District, Manipur to make fencing at Iroishemba they went by vehicle Carrier, Tata ACE driven by Basanta of Langol, Imphal West District, Manipur on 10/06/2024. However, he did not come at his home but the said three persons including the driver came back to their homes. Thereafter, she asked them where about of her said brother. However, they said he went to his home but on that day his where about was not known, on the next day, Anand brother of Basanta informed her that he was lying at Iroishemba and they found him at Iroishemba, he was unconscious when they found him then she brought him at RIMS Hospital, Lamphelpat, Imphal West on 11/06/2024 at about 1:00 pm and he was expired 14/06/2024 at about 10:00am at I.C.U RIMS Hospital.

That, kindly take stringent legal action against the said persons who went with him and involved persons as his death is very doubtful.

On examination, they stated that on 10/06/2024, Nilachandra, Apam, Ibomcha went to the house of Ibomcha at Langol Ningthou Leikai in the carrier Tata Ace vehicle of Basanta to pick some bamboo. After loading the bamboo on the vehicle and proceeded to Chaoba's house at Iroisemba. On reaching Chaoba's house, Basanta dropped Nilachandra, Apam and Ibomcha and left the place for his work. They were cutting trees and trimming the grass as instructed by Chaoba. Later at about 11:00 am, Ibomcha asked for cigarette however, they replied that they did not have the cigarette. And Ibomcha went towards the road to buy cigarette. At about 1:00 pm, Chaoba prepared lunch for them. Till that time, Ibomcha was not returning, Nilachandra and Apam went to the road and search for Ibomcha. However, they did not find Ibomcha and returned to Chaoba's house to have the lunch with the thought that Ibomcha might be going home or drunk somewhere which he usually did. After having lunch, Nilachandra and Apam were paid Rs.200/ each by Chaoba. In the meantime, Basanta came to the Chaoba's house on his vehicle and they left Chaoba's house and went to the house of Ibomcha to enquire whether he returned home or not. Ibomcha was not returning home so, Apam and Basanta went to Iroisemba side and langol in search of Ibomcha. However, they could not trace Ibomcha. On the next day, they heard that Ibomcha was found lying at Iroisemba.

That in further course of enquiry, Post mortem report of Late N. Ibomcha has been obtained from the Department of Forensic Medicine and Toxicology, RIMS, Lamphel. On perusal of report, it is learnt that there were multiple abraded contusion over the upper limb and some bruise and abrasion on the parts of his person. Further the Doctor opined that the death could be due to interstitial pneumonia with pulmonary oedema associated with early cirrhosis of liver supplement with blunt force injury to the body.

From the above facts, there is a suspicion that the deceased was assaulted which may supplement the cause of his death. A proper investigation is required to rule out the actual facts of the case.

It is therefore requested to kindly register a regular FIR case u/s-302 IPC for investigation.
