Subject: FIR against theft of Telecom Equipment i.e. RRU (Remote radio Unit)

Sir,

With reference to the subject cited above, this is to inform you that on 10/06/2024, 00:33AM, site outage alarm was received in our system from CND049, at residence of Mr. Donglianlal, S/O, T. Pauchinkhup, Vil-Zoumunnuam, PO & PS- Churchandpur, Dist.- Churchandpur, Manipur - 795128.

Accordingly, Technician visited the site on 10/06/2024, 15:30PM and found that some unknown miscreants had barged into the tower site and stolen away the network equipment, namely, RRU (Remote radio Unit) with an ulterior motive of monetary gain and disrupting the communication.

RRU (Remote radio Unit) is an Ericsson make device and deployed at Airtel mobile towers for maintaining communication and it is installed mainly on the top of the tower.

Frequent unabated thefts of these kinds of equipment from our tower sites have impacted the very communication network though replacements of the equipment subject to availability is made immediately to maintain network. It is to be mentioned here that because of the huge number of thefts taking place in the Circle, we are running short of such a stock of equipment for replacement.

Due to law and situation of Manipur, reporting is delayed. In view of the above, I request you to kindly register a case in this regard and investigate the same to bring the culprits to book and recover the stolen items at your earliest possible.

Details of Items stolen :

Sr. No	Material Description	Qty	Total Value (Rs. Approx)
1	RRU (Radio remote unit)	3	300000
