Subject: Application for lodging an FIR regarding stolen optical fibre cable posts.

Respected Sir,

This is to inform you that two optical fibre cable posts belonging to our company, which have already been erected but are awaiting the stringing of the cable, were stolen by some unknown miscreants or thieves. The incidents occurred in the vicinity of Lingsiphai Village, where the poles were stolen on the nights of 1st and 4th December, 2024, respectively.

The company started the project work recently on 15th November 2024 from Lamka, Churachandpur to Singnat under the Birla Group.

As a matter of fact, the project undertaken is solely aimed at improving the telecommunication network provided by the service provider for the general public living in a remote area. This kind of unwanted incident really hampers the ongoing smooth progress of the developmental work as well.

Moreover, so far as we are concerned, no external threat has been received from any individual or organization with regard to the ongoing work.

Therefore, we hereby request that you kindly register an FIR for the lost poles. We would be grateful if you could take any action to trace and recover the lost poles, as well as apprehend the culprit or thieves as soon as possible.

Looking forward to a positive response from you soon. Thank you for your time and consideration.
