Sir,

With reference to the above cited subject, I would like to report to you that me and my friends in 15 Bikes were going to SIKTUI Farm for a Holiday Picnic.

That, the following are the turns of events:

That, at around 3:57 PM a drunken girl (Whose Photo is attached) came to our picnic point and used provocative language, however, we stay ignorant and pay no heed to it.

That around 3:40 as a rider group we assemble our bikes, wherein two bikers who are familiar to us join us, We assemble our vehicle phot and accelerated our bikes for video, after which some guys bearing some flags asked us to stop accelerating our bikes.

They, (Photo attached), came in good numbers and said "Zogam a gari teng Zomi a ahi" and took photo with our bikes (Photo enclosed), to which we remain quiet.

After their photo session 2 bikes mention earlier who are only familiar to us left us in hurry, they chased after them and failed. They come back and started beating those of our friends who were cooking, we went to their rescue but they threaten us with Knives and beat us up. Threatening to killed us just because we are Kuki.

In the process of attempting to murder us, those miscreants destroyed 15 of our vehicles. They also injured 4 of our friends who got medication and treatment in different clinics.

Therefore, I would like to request you to register a case against those people whose photo we have attached in an attempt to murder case against us.
