Subject: Report on theft of CCTV Equipment at JNV Churachandpur-reg.

Respected Sir,

I write to formally report the disappearance of five CCTV cameras from Jawahar Navodaya Vidyalaya, Churachandpur, which appears to be a case of targeted theft.

The details of the missing devices are as follows:

- Two Cameras installed inside the Boys' Mess Hall
- One Camera installed in front of the Mess Store
- One Camera installed inside the Girl' Mess Hall
- One Camera installed on top of the Juniors Boys' Toilet

All devices were active until approximately 11:48 PM on 26.07.2025. This morning, it was discovered that all cameras had gone offline simultaneously. Upon preliminary inspection, it was found that the IP CCTV cameras had been stolen by cutting the LAN wires connected to the school's router. The cuts were clean and deliberate, and further examination revealed that the bolts and screws at each installation point were unscrewed with precision. Additionally, associated router extender hubs have been stolen.

The execution of this act suggests involvement of individuals with technical proficiency and foreknowledge of the school's surveillance infrastructure.

In light of the above, I kindly request your assistance in initiating a formal investigation into this incident. Your team's expertise will be invaluable in uncovering the identity of the perpetrators and recovering the stolen equipment.
