Subject: Complaint against identifiable miscreants for lodging FIR for committing offences punishable under sections 109, 117, 118(2), 119, 121(2), 126 (2), 127(2), 189(2), 308, 311, 351, 355 of BNS, 2023 and sections 13 & 17 of the Unlawful Activities (Prevention) Act, 1967.

Sir,

I am presently working as Deputy Superintendent of Police in the National Investigation Agency, BO Imphal. On 17.09.2025, I, along with my driver, Mr. Sabdar Khan, was travelling in a Government vehicle from Kohima to Imphal. A placard board displaying "Police" was placed in front of the vehicle. While en-route, we reached Senapati. I visited the office of the Superintendent of Police, Senapati, to attend to certain official work. After completing that work, I resumed the journey to Imphal.

At about 1645 hrs, while crossing the four-road junction at Traffic point, Senapati Bazaar towards Imphal, near some under-construction shops with brown-painted shutters on the left side of the road, one person, appearing to be a young man aged about 24-25 years, stopped our vehicle by signalling by his hand. He was wearing a white round-neck half-sleeve T-shirt, full trousers, and half-finger military gloves on both hands. He also had a black waist zip pouch for keeping money.

He came to the left side of the vehicle and asked me to open the window. In a commanding tone at (X-ing), he repeatedly questioned me about our destination. He further demanded to see the vehicle documents and asked me to show my identity card for his verification. He also told me that "I am a sepoy of NSCN" and doing duty for organisation.

I politely informed him that we were police officers proceeding to Imphal on duty. Despite this, he ordered our driver to get down from the vehicle and demanded Rs. 2000/- as "entry fees." for their organisation. When my driver refused, stating that we did not have such an amount, the youth came to my side and again instructed me to produce my identity card. He also took photographs and recorded a video of me without my permission and our Government vehicle.

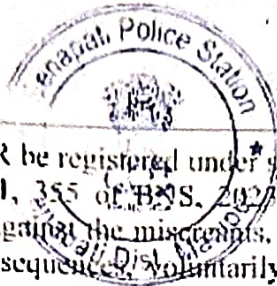

Subsequently, he made a phone call to somebody, and immediately four other men, appearing to be in the age group of 40-45 years, arrived at the spot. One of them, later identified as the Senapati Town Commander of NSCN, came forward and, in a commanding and threatening tone, ordered me to step out of the vehicle by saying, "Hey, come down from the vehicle, I am the Commander of the area." I had to obeyed and I got down from the vehicle. He and his five associates then tried to forcibly take me inside one of the under-construction shops, but I managed to resist and remained on the footpath.

At that time, the Town Commander of NSCN snatched my mobile phone from me and threatened to unlock it, as it was pattern-locked. He further told me that our organisation deployed our sepoy personnel to collect money from general public like you as our organisation is need money to support our organisation so that we could have separate part from India for our community. He checked my mobile phone, but I somehow managed to retrieve it by saying I would show my ID proof through the phone. I then made a call to Mr. Kaisungbou, MPS, Addl. SP, Senapati, and requested him to send police forces by narrating that some NSCN and UG cadres had intercepted and were threatening me.

While I was replying to the Town Commander of NSCN, one of his men suddenly struck me forcefully on my right ear, saying, "will kill you if you do not properly answer to my Commander." I suffered severe pain in my right ear, was unable to hear properly, and the ear became swollen. I then sat on a nearby bench in front of one shop. This incident was witnessed by many shopkeepers. My driver was also threatened by the UG cadres and the Commander, who warned him to stay away from me, knowing that I was an outsider in the State.

Based on my earlier call made to Addl SP, one Mr. Dahrii, Sub-inspector of Senapati PS, along with his team, later reached the spot and rescued me from the miscreants. He negotiated with the Town Commander and told me that they are cadres of NSCN. Later dropped our vehicle at Kangpokpi PS. Further, I met the Addl. SP of Senapati (who was In-charge SP of the District on that day) at Kangpokpi PS and narrated the entire facts to him. He assured me that appropriate legal action would be taken.

Since I had severe swelling with pain, along with my driver, proceeded to Imphal and reached late at night. As it was late, I could not visit any doctor. On 18.09.2025, in the morning hours, I visited RIMS Hospital and took treatment vide Registration No. 2025010831. After careful examination, the doctor prescribed medicines, advised me to visit again the following week, and informed me that the injury was grievous in nature. He further advised me to take due care for the next three months, and if the condition did not improve, surgery might be required.

Manipur Police

Hence, I humbly request that an FIR be registered under sections 109, 117, 118(2), 119, 121(2), 126(2), 127(2), 189(2), 308, 311, 351, 355 of B.S. 2027 and sections 13 & 17 of the Unlawful Activities (Prevention) Act, 1967 against the miscreants, who wrongfully restrained us, used filthy language with threats of dire consequences, voluntarily caused grievous hurt to deter a public servant from discharging official duty, criminally intimidated us in a public place, illegally extorted money.
