**Subject:** Report regarding a major fire incident at BSNL Store, Lamphel on  
22.02.2026 for registration of FIR.

Sir,

I, the undersigned, serving as the Sub-Divisional Engineer/In-Charge of BSNL Lamphel Store, hereby submit this formal complaint regarding a massive fire that broke out at the BSNL Store premises, resulting in extensive damage to government property. The particulars of the incident are as follows:

1. Date, Time, and Place of Occurrence

The incident occurred on 22.02.2026 at approximately 23:30 hours. The site of the incident is the Northern side wooden structure warehouse (measuring approx. 80 ft. × 30 ft.) situated within the BSNL Store Campus, Lamphel, under the jurisdiction of Lamphel Police Station.

2. Description of the Property

The warehouse was an old wooden structure featuring a bamboo-sheet ceiling and corrugated tin roofing. It contained a partitioned room used by the Store Keeper and served as the primary storage facility for various telecom materials.

3. Brief Facts and Suspected Cause

The exact cause of the fire, which was noticed in the verandah of the main storeroom area, is unknown. The fire which originated from the unknown source/miscreants spread with extreme rapidity due to the combustible nature of the wooden structure and bamboo ceiling. The intensity of the blaze was further exacerbated by the presence of a large quantity of TSF cable jointing kits.

4. Immediate Action and Response

The fire was first noticed by Shri Maibam Phireppa Meetei, TT (Store Keeper on duty), who was present on-site. He immediately alerted Shri Athokpam Suresh Singh, JTO, and the undersigned. The fire tenders of the Fire Department Manipur along with BSNL staffs were in the firefighting and rescue operations. Following the collapse of the structure, a JCB excavator and fire tenders were further deployed to clear debris and roofing sheets to douse the remaining smouldering embers.

5. Extent of Damage and Loss

The northern warehouse was completely gutted in the incident. Among the major items destroyed were- over 700 (Seven hundred) TSF cable jointing kit boxes, 49 Kms of 24F armored Optical Fibre Cable (OFC) besides other various telecom store materials listed in Annexure-A (damaged items) attached herewith. Estimated Financial Loss as the list shown in the Annexure is approximately ₹63,00,000/- (Rupees Sixty -Three Lakhs only), nevertheless, subject to final assessment and detailed verification.

I couldn't report yesterday due to assessment of the property lost and my involvement in the rescue operation.

In view of the facts stated above, it is requested to kindly register this complaint as an FIR under the relevant sections of the law. I further request a spot inquiry to be conducted to officially ascertain the cause of the fire. Further, I request you to kindly provide an attested copy of the FIR to the undersigned for official departmental records and other department proceedings related to the fire incident.

Yours faithfully,

Sd/-
