Subject: Submission of Enquiry Report in connection with the complaint lodged by Laishram Priyanka against Laishram Pradeep Singh.

Reference: GD Entry No. 38/LPS/2026 Dt. 27/07/2026

Sir,

With due respect, I have the honour to submit the following Enquiry Report in connection with the complaint lodged by Laishram Priyanka against Laishram Pradeep Singh, aged about 40 years, S/o Laishram Tomcha Singh of Tera Lukram Leirak, Imphal West District, Manipur.

1. Brief Facts of the Complaint

On 27/07/2026, a written complaint was submitted by Laishram Priyanka alleging that at about 05:50 PM on the same day, her cousin brother, namely Laishram Pradeep Singh, who resides on the southern side of her residence, created disturbance and harassed her family members while allegedly under the influence of alcohol.

The complainant further alleged that such conduct on the part of Laishram Pradeep Singh was not an isolated incident and that he had repeatedly behaved in a similar manner towards her family on earlier occasions. She also expressed serious concern regarding the effect of such repeated disturbance, shouting and harassment upon her mother, who is a kidney transplant recipient, suffers from kidney-related ailments and high blood pressure, and is stated to be in a delicate state of health.

2. Enquiry Conducted

During the course of enquiry, the complainant, Laishram Priyanka, was examined and her detailed statement was recorded.

In her statement, she stated that on 27/07/2026 at about 05:50 PM, while she was studying at her residence, she heard Laishram Pradeep Singh arriving on his motorcycle and making loud noise. From his conduct and his previous similar behaviour, she suspected that he might have been under the influence of alcohol.

She further stated that Laishram Pradeep Singh thereafter started shouting and using abusive and derogatory expressions towards persons residing in the locality, including a family residing in front of her house. Subsequently, he also started shouting at and abusing her younger brother, namely Laishram Pluto.

On hearing the commotion, the complainant's mother became frightened. The complainant stated that her mother is a kidney transplant recipient and also suffers from kidney-related ailments and high blood pressure. When the complainant attempted to calm her mother and asked her to sit down and take rest, Laishram Pradeep Singh allegedly became more aggressive and started shouting at the complainant. During the ensuing verbal altercation, Laishram Pradeep Singh allegedly used several abusive, insulting and derogatory expressions against the complainant, including the words "kasubi macha", "lawai macha", "minai macha" and "exam pass touba ngamdba".

The complainant further stated that during the same incident, Laishram Pradeep Singh threatened her younger brother, Laishram Pluto, by saying, **"Nangak to thang na lengani"**, which, as stated by the complainant, means that his head would be cut off. According to her, the said words caused fear and apprehension among the family members.

The complainant further stated that Laishram Pradeep Singh had behaved in a similar abusive, aggressive and quarrelsome manner on several previous occasions towards her family members as well as other persons of the locality. She stated that, on one previous occasion, several persons of the locality had collectively confronted him regarding his conduct.

She also expressed apprehension that the repeated shouting, aggressive conduct, intimidation and harassment may adversely affect the health of her mother, whose existing medical condition is stated to be fragile.

3. Examination of Witnesses

During the course of enquiry, two witnesses, both being maternal aunts of the complainant, were also examined and their statements were recorded.

The first witness stated that after receiving information regarding the altercation, she proceeded to the residence of Shyama Devi, the mother of the complainant, to ascertain the situation.

According to her statement, Thokchom Shinghajit Singh, who is related to Laishram Pradeep Singh and also shares a professional association with him, attempted to intervene and resolve the matter peacefully. He accordingly contacted Laishram Pradeep Singh over the telephone and requested him to come to the house so that the matter could be discussed and settled peacefully. The witness stated that during the initial conversation, Laishram Pradeep Singh responded positively and said, **"Ou Mamo, lake"**, meaning, "Yes Uncle, I am coming."
However, shortly thereafter, Laishram Pradeep Singh allegedly called Thokchom Shinghajit Singh again and stated, **"Leirammo, thang puraga lake"**, meaning, **"Be there, I will come with a knife."** The witness categorically stated that the said telephone conversation was on loudspeaker and that she personally heard the aforesaid words uttered by Laishram Pradeep Singh. According to her, the statement caused serious concern and apprehension among the persons present there.

The second witness also stated that after receiving information regarding the incident, she proceeded to the residence of the complainant's mother. On reaching there, she found the complainant, Priyanka, crying and learnt about the earlier altercation from the persons present. She further corroborated that Thokchom Shinghajit Singh called Laishram Pradeep Singh in an effort to resolve the dispute peacefully and that, during the telephone conversation, Laishram Pradeep Singh stated, **"Leirammo, thang puraga lake"**, meaning, **"Be there, I will come with a knife."** This witness also specifically stated that the telephone call was on loudspeaker and that she personally and clearly heard the said threatening words.

Thus, although the two witnesses were not direct eyewitnesses to every part of the initial altercation, both of them have independently stated that they personally heard the subsequent threat made by Laishram Pradeep Singh over the telephone.

4. Conduct and Non-Cooperation of Laishram Pradeep Singh

During the course of enquiry, repeated efforts have been made to secure the presence of Laishram Pradeep Singh for his examination and to afford him an opportunity to explain his version of the incident.

However, since the date of the incident, Laishram Pradeep Singh has avoided appearing before the Enquiry Officer despite repeated efforts made to contact and examine him.

His family members have also been contacted and informed on several occasions, both personally and telephonically, to communicate to him that his presence is required in connection with the enquiry and that he should appear before the Enquiry Officer.

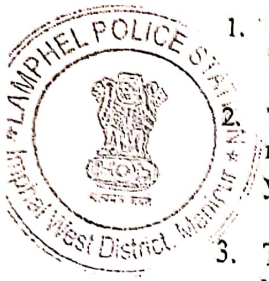

Despite such repeated communications and opportunities, he has failed to appear and has not cooperated with the enquiry till date. Consequently, his version regarding the allegations made against him could not be recorded despite reasonable and repeated efforts to secure his presence.

His continued avoidance of examination and failure to respond to repeated communications have materially hindered the completion of the enquiry from his side.

5. Findings of the Enquiry

From the written complaint, the detailed statement of the complainant and the statements of the witnesses examined during the enquiry, the following facts emerge prima facie:

1. That an altercation involving Laishram Pradeep Singh and members of the complainant's family took place on 27/07/2026.

2. That during the incident, Laishram Pradeep Singh is alleged to have behaved in an aggressive manner and used abusive, insulting and derogatory expressions towards the complainant, her younger brother and other persons in the locality.

3. That the complainant has specifically alleged that Laishram Pradeep Singh threatened her younger brother, Laishram Pluto, with serious harm to his life by saying, **"Nangak to thang na lengani,"** meaning that his head would be cut off.

4. That subsequent to the initial incident, when an attempt was made by Thokchom Shinghajit Singh to peacefully intervene in the matter, Laishram Pradeep Singh allegedly threatened over the telephone that he would come carrying a knife by saying, **"Leirammo, thang puraga lake."**

5. That the aforesaid threat regarding coming with a knife was personally heard by the witnesses examined during the enquiry, as the telephone conversation was on loudspeaker. Their statements materially corroborate each other on this aspect.

6. That the complainant has alleged that similar abusive, aggressive and quarrelsome conduct on the part of Laishram Pradeep Singh had occurred on several earlier occasions and that the present incident has caused fear, mental distress and a sense of insecurity among her family members.

7. That particular concern has been expressed regarding the complainant's mother, who is stated to be a kidney transplant recipient suffering from kidney-related ailments and high blood pressure, and whose health may be adversely affected by repeated incidents of shouting, intimidation, disturbance and mental stress.

8. That despite repeated attempts to secure his presence, including communication through his family members both personally and over the telephone, Laishram Pradeep Singh has failed to appear before the Enquiry Officer and has not cooperated with the enquiry. As such, his explanation or version of the incident could not be obtained.

6. Conclusion

In view of the facts and circumstances stated above, the allegations made in the complaint are found to be **prima facie supported in material particulars by the statements recorded during the enquiry**, particularly with regard to the alleged abusive and aggressive conduct, the threat made against the complainant's younger brother, and the subsequent threat to come to the place carrying a knife.

The subsequent threat made over the telephone assumes significance as the conversation was stated to have been on loudspeaker and was personally heard by the witnesses examined during the enquiry.

Further, the continued non-cooperation of Laishram Pradeep Singh, despite repeated efforts to secure his presence and despite communications made to his family members both personally and telephonically, has prevented the recording of his version of the incident.

Considering the nature of the allegations, the repeated conduct alleged by the complainant, the threats attributed to Laishram Pradeep Singh, the apprehension expressed by the complainant and her family members, and the corroborative statements of the witnesses regarding the subsequent threat, the matter appears to warrant appropriate action in accordance with law.

The enquiry report is, therefore, submitted for favour of kind perusal and further necessary action as deemed fit and proper.
